REMEMBER TO BRING POTATOES FOR KIDS

Among your various other duties you are urged not to overlook the potato contribution that you are expected to make to the children of Bethany home this week. At all of the theatres in the city, Friday and Saturday, afternoon and evening, there will be stationed in the theatre lobbies baskets for the collection of potatoes, to be given by patrons of the shows. It is hoped in this manner to obtain a supply sufficient to provide for the home throughout the winter months, thus insuring the saving of a considerable item of maintenance expense. A year ago the experiment was tried and there was such a generous response from the public that the board of directors of the institution decided to make the potato collection an annual affair. So don't neglect to put a few potatoes in your pocket when you start for your favorite showhouse on the dates mentioned.

WILL OPEN POSTAL STATION TOMORROW

TO DISCONTINUE LIGHTS.
For the last time during the season the river post lights will be lighted tonight between St. Paul and Burlington, Iowa. In previous years the lights were discontinued on Oct. 1, but this year it was decided to continue the use of the lights for navigation along the Mississippi river. Previously it had been the custom of the light-house inspector to order the post lights discontinued at the close of the packet season, but in response to a petition of motor boat owners in this community the closing time was advanced to Oct. 31.

HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: (1) I am a girl 16. I write to a young man six years older than I am. Do you think he is too old for me?
(2) Am I too young to go with a boy if my parents are willing?
(3) How can I spend the present in another city, he asks if he may come to see me. Do you think there is any harm in that?
(4) My older sister is to be married soon. What would be best to give her for a wedding present?
VIVA RILEY.
(1) Yes, he is too old for you.
(2) You are too young to be thinking about the boys. Better spend this time in your life with your girl friends.
(3) Yes, you are too young.
(4) It depends on how much money you can spend for the present. You might go to a china store and look at what they have. You can usually get nice china and cut glass dishes for almost any price depending on what you wish to spend for the present. You might get an electric table lamp if you can afford it, or a part of a set of silverware.

Dear Mrs. Thompson: (1) I am a boy 16 years of age, and go to high school. I deliver papers and give the money I earn to my mother. Would you please suggest something that I can do to earn some money?
(2) I am planning to give a Halloween party. Would you please suggest something that we can do?
(3) Please give me a form for invitation to use.
(4) Please suggest something that I can serve.
(5) There are two boys that come over to my house. I do not want them to be at my party. How can I tell them not to come?
THANK YOU.
(1) If you have any time between 4 and 6 in the evening you might get a job as office boy in some small business office where you would eventually work up to the position of assistant bookkeeper or assistant to the manager.

PERSONAL POINTS

Mrs. R. D. Coburn, who until her marriage last week was Miss Hazel Halbach of 701 Seventh street, left today for Indianapolis, Ind. She went by way of Chicago where she was joined by Mr. Coburn, who accompanied her to their new home. Mrs. J. M. Math accompanied Mrs. Coburn to Chicago.
Mrs. Fred T. Hirst and son, 1407 Eleventh street, returned home last evening after a visit with Mrs. Hirst's parents in Burlington, Iowa.
Mr. and Mrs. Earl Hurg, 612 Fourth street, announce the birth of a daughter, Evelyn Helen, Monday.
E. L. Schilling, 2502 Fifth and a-half avenue, has gone to New York, where he has been transferred by the Standard Table Cloth company to the office there. Mrs. Schilling will join him later and they will make their home in Passaic, N. J.
TAKEN FROM FORTRESS.
Petrograd, Oct. 31.—Alexander D. Protopopoff, former minister of the interior, and one of the leading reactionaries of the imperial regime, has been removed from the fortress of St. Peter and St. Paul to a hospital on account of ill health. After his removal he was threatened with lynching by a group of soldiers.

manager. I know of one boy who earned \$12 a week working from 4 to 6 in an office on school days and all day on Saturday. He saved this money and paid his way partly through college with it. If you watch the want advertisements in the paper you probably will soon run across one asking for several hours' service a day, and you will possibly find just what you want.
(2, 3 and 4) I answered these questions for "Mr. Chambers" a few days ago. Play the regular Halloween games, bobbing for apples, etc. Serve cider, apples, pumpkin pie and things suggestive of autumn and winter. Your invitation should be something like this:
You are cordially invited to be present at a Halloween party at the home of _____, Oct. 30, at 7 o'clock.
This form can be used for other parties coming later in the winter as well as for Halloween.

(5) Tell the boys that you can't have them over to your house on the occasion of the party because you will have so many guests that you can't have care of any more.

Dear Mrs. Thompson: Is there any way to grow tall. I am short and find it inconvenient at times?
SHORTY.

Any book on physical culture will give you exercises that tend to lengthen the limbs. If you wish something simple, try this: Lie flat on your back and stretch out to your full length, point the toes and push in the position breathe deeply. You will find that if you use some effort to stand up straight, throwing the shoulders back and the chest out you will be using all of your height to advantage.
